UPTOWN SHELBY CHRISTMAS PARADE

The Uptown Shelby Christmas Parade was one that had folks worried because of the predictions of rain about parade time. The Weather Prognosticators had predicted that there was a 60% to 80% chance of rain from noon until five in the afternoon. There was no rain until about 6:00pm. We still had three cars in the parade (Barb & Jack Weller, Kent Bridges, and Renee & Jerry Bumbaugh, all with our convertible tops on – even worked out red -- green – red as we went down the parade route.

The New Your City Tree Girls were the Grand Marshals for parade. They

PRESIDENT'S MESSAGE

BREMC,

A belated Merry Christmas and a Happy New Year to each of you. While I'm on the subject of the new year I'm looking forward to leading the club (herding cats) in 2017.

My goal for this year is for each of us to enjoy our club as much as possible. I believe that the more we participate in our club, the more we enjoy it.....or as I heard someone say, the more skin (investment) you have in the game, the more interest you take in the game. With that, I encourage each of you to: attend and take part in the monthly meetings; find and encourage new members; take part in the drives; participate in shows and share your experiences with us.

VOLUNTEER YOUR HELP WITH THE CLASSIC ON APRIL 29th

Bob Cabaniss and **John Salazar** have stepped up to lead this event and all of us need to help out.

I'm going to have a good time this year and I hope you do, too. See you on January 5.

-Jim

NEW YEAR'S DAY FUN DRIVE SET WEATHER PERMITTING

Curt Holland and **Randy Dillingham** have planned a fun drive for folks on **New Year's Day Fun Drive**. Here is the schedule and two meeting places.

So far we have 7 cars set for the New Years Day drive on Sunday.

The Plan is for the Shelby crowd to meet at Ingels Grocery Store at 74 & 226 at 11:45am for a noon departure to Rutherfordton.

We will drive to Rutherfordton and meet everyone else who is coming from other locations at the CVS parking lot at the intersection of Business Route 74 / ALT221 & S. Main St./221. We plan to depart from CVS about 1:00pm for the Lake Lure drive. The Fun Drive should be a couple of hours.

Now let's hope for cooperative weather!

BREMC DECEMBER MEETING MINUTES

Meeting Date: December 1, 2016

Held at Deer Brook Golf Course and Restaurant

The Broad River European Motor Club held its monthly meeting on December 1, 2016 at the Deer Brook Country Club and Restaurant.

Pay your 2017 dues

At 6:35 p.m. President **Skip Wise** requested that **Jim Morgan** to ask for blessings upon the meal after which the group enjoyed a buffet of macaroni and cheese, corn, salad, dressing (the Thanksgiving, not salad kind), potato salad, gravy, ham, turkey, rolls, cake and presumably pumpkin pie (I don't know for sure, I didn't eat any).

Pay your 2017 dues

This was not a business meeting so the minutes are a bit sketchy.

Pay your 2017 dues.

There were 31 members present, thanks for the good turnout. Everyone was encouraged to invite those in absence to attend.

Apparently **Mac** is still working on his GED and **Lynn** is still nursing a sore back. However **Skip**

reported that she was able to get out of the house for hair and nail appointments. I suppose we have to set priorities.

Pay your 2017 dues.

At 7:37 p.m. President Skip did make some announcements:

1. **Pay your 2017 dues.**
2. Jack Weller, as usual prepared another great newsletter.

n Sunday, December 18, call Jack and let him know if you want to bring your car (doesn't have to be red or green); and

Pay your 2017 dues.

Other minutes were as follows: 6:42,

7:08,

7:29,

and 7:48 when everyone left.

All were wished a very **Merry Christmas.**

And in case you've already forgotten,

PAY YOUR 2017 DUES.

THINGS PEOPLE HAVE DONE TO RESTORE OR UPDATE THEIR CARS

Curt Holland has been working on his **MGB Coupe** and found time over the Holidays to continue his restoration. Here are few pictures that he shared for the good of the Club.

Curt spent some time place the headliner in his MGB. Having access to a 3D CAD program, Curt was able to design a spacer to be used on the door handle of his car. The unique part of this spacer is that it was created on a 3D printer – technology that is quite amazing. Here is a picture of the spacer and how the device will prevent the door handle from rubbing against the leather.

If you have a project or improvement that you done on your car and what to share what you have done, please send it to Jack Weller at wsweller@aol.com If you have pictures, please send them as JPG format as an attachment. It is difficult some times to get a compressed or ZIP file to open. This could be a monthly feature for the newsletter.

MAKING NEW YEAR'S RESOLUTIONS

It is a time honored tradition to stop and reflect on the past year and then make resolutions for the New Year. If you Google this topic, there is a variety of advice and quotes that experts share on meeting new year resolutions. Here are a few hints.

Tips to Help You to Keep Your New Year's Resolutions The *American Psychiatric Association* (APA) offers the following tips to help families and individuals keep their resolutions for a healthy mind and healthy life.

1. Don't make too many resolutions.
2. Pick a realistic, attainable goal with a reasonable time frame.
3. Choose your own resolution.
4. Make sure your goal is something that you want to accomplish for yourself and not just for friends or family.
5. Make a plan and write it down. Plan what you'd like to accomplish in a certain period of time, like three months. Achieving small goals over time gives you a sense of accomplishment and motivation to keep going. Writing your goals down is a good way to keep track of your progress.
6. Involve friends and family. They can support your efforts, and can motivate you to keep going.
7. If you get off track, forgive yourself. Review your plan and make adjustments.
8. Congratulate yourself. Reward yourself when your intermediate goals or resolutions are met.

NEW YEAR'S RESOLUTION QUOTES

Good resolutions are simply checks that men draw on a bank where they have no account.

— Oscar Wilde,

An optimist stays up until midnight to see the New Year in. A pessimist stays up to make sure the old year leaves.

— Bill Vaughn,

New Year's Day... now is the accepted time to make your regular annual good resolutions. Next week you can begin paving hell with them as usual.

— Mark Twain,

For last year's words belong to last year's language and next year's words await another voice.

— T.S. Eliot,

Be always at war with your vices, at peace with your neighbors, and let each new year find you a better man.

— Benjamin Franklin,

Many years ago I resolved never to bother with New Year's resolutions, and I've stuck with it ever since.

— Dave Beard,

Learn from yesterday, live for today, hope for tomorrow.— Albert Einstein,
