### FEBRUARY MEETING 2010 PLANS FOR THE CLUB COME TO OUR MONTHLY MEETING AT OWL'S EYE WINERY

The February meeting of the **BREMC** will be held on Thursday, February 4 starting at 6:30pm.

The meal will be from Substation II and the program for our meeting will be the Steering Committee sharing four initiatives for 2010. Cost will be about \$6.50 Please e-mail **Tom Greene** that you will be attending to get a rough count. [tgreene1@carolina.rr.com](mailto:tgreene1@carolina.rr.com)

### FOUR INITIATIVES FOR 2010

The Steering Committee, under the direction of **Don Byrnes**, is looking for your help and support for the four activities that they have selected for 2010. The four activities are designed to allow for opportunities to show our cars, be involved in the community, and have an event outside of the immediate area.

First event will be to participate in the April 24<sup>th</sup> **Art on the Square** or the **Foothills Merry Go Round Festival**.

On July 4<sup>th</sup> we would like to participate in the **Lattimore and Ellenboro Independence Day Parades** as a unit. This will require us working with both communities to coordinate the starting times that would allow us to start in Lattimore for their parade and then finish in Ellenboro. Last year we had nine members participate one or the other parade. It would be great to have a larger unit for this Independence Day Celebration.

**Carolina Trophy Road Rally** has asked us to consider a car show at the **Lake Lure Inn** on Sunday, September 26. We would invite clubs throughout the Southeast to participate in this fun event. It is a major commitment of time and resources.

**Shelby Christmas Parade** finishes the year's events. As we help bring the holiday spirit to uptown Shelby and Cleveland County, we have an opportunity to let folks find out which cars Santa's elves really drive.

### ART ON THE SQUARE MERRY GO ROUND FESTIVAL SATURDAY APRIL 24

Saturday, April 24, the **Uptown Shelby Association** and **Buffalo Creek Galleries** sponsor the spring time event, **Art on the Square**. Shelby City Park will host the annual **Foothills Merry Go Round Festival** the same day.

We are working with the planning committee to have an antique car show at one of these two sites. **Tom Greene** is working with the **USA** organization to finalize arrangements. More to follow in the March newsletter.

Club members display their vehicles at the Foothills Merry Go Round Festival in April 2009.

## **YOUR IDEAS WILL HELP MAKE 2010 A GREAT YEAR FOR BREMC**

The Steering Committee identified four activities that we would do for 2010. There are many other things that people have suggested. For example, being involved with Relay for Life, travelling as a group to a car show in the area, developing a route to enjoy the country roads of Cleveland County, featuring different marques at a monthly meeting, or a joint event with another Club in the area are just a few of the ideas that have been suggested in the past.

If you would like to help with one of these events, please contact **Tom Greene** or **Don Byrnes** and let them know what your interest is or which event you would like to help with in 2010.
